EXHIBIT A-1.15 – PARTICIPATING PARCEL LIST

A-1.15.a – Provide a list of all parcels that are participating or adjacent to the proposed facilities, including land-owner information for each parcel. Landowner information may be redacted and filed confidentially pursuant to protective order at the discretion of the applicant if the landowner information is not available publicly.

A list of all parcels participating in the Project has been prepared and is available in **Appendix 1.15-A – Participating Parcel List**. This list includes landowner information for each parcel, with the option for landowner details to be redacted and filed confidentially under a protective order, should the information not be publicly accessible. A separate list of all parcels adjacent to the proposed Project has been prepared and is available in **Appendix 1.15-B – Non-Participating Adjacent Parcel List**.
